

**KSSE 2nd QUARTER 2015**

## **PUBLIC FILE REPORT**

**Prepared By:**

**Tony Martinez**

## **Internal Report**

### 2nd Quarter report

- In April KSSE was part of “La Feria Viva La Familia” at Pico Rivera. Over 11,000 people attended the show and enjoyed performances from Las Voces de Rancho, La Original Banda el Limon, Proyecto X, German Montero and more. The event was a huge success.
- On June 1<sup>st</sup> we announcement our biggest concert of the year “Reventon Super Estrella 2015”. In which Café Tacuba, Mikel Erentxun, kinky, Moderatto, Paulina Rubio, Angeles Azules, Flans, Enanitos Verdes, Maldita Vecindad will be performing.
- Also in June we had an exclusive promotion with one of the biggest rock band from Mexico “Mana”. The promotion consisted in having two winners from local bands (who played the guitar). The winners got to go on stage and perform with Mana in two of the LA concerts at staples center.
- Ticket giveaways to some of the best concerts in town were part of the giveaways. For example Juan Gabriel, Gloria Trevi, Camila, J Balvin, Elefante, Franco de Vita, Mana, Caifanes, and many more. Amusement parks tickets were also part of the giveaways such as Disneyland, Universal Studios Hollywood and others.

How to sleep better: exercise at night time, drink milk at night, don't drink coffee or sodas. Don't drink aspirin to cure headaches because it can produce more headaches.

Sexologist Dr. Myriam Balbela Why do people attend to social media to find a partner?

It's convenient from your home computer, you get to choose your partner.

Immigration Attorney Alex Galvez talks about how to obtain legal documents

Show de Piolin talks about "How to be happy", eat properly, wake up with a positive attitude, use shoes thar are comfortable, etc.

Immigration Attorney Alex Galvez talks about how to give yourself the opportunity to stay here and not get deported and to be careful not to get in trouble.

Sexologist Dr. Myriam Balbela talks about the challanges marraing some one with kids. Don't assume the role of a father. Set the record straight from the very beguining. And also talked about mother's health care.

Dr. Edgar Chavez talks about how

sexual relationships are excellent, not only is an exercise but it also burns calories, you can do the following things to increase your sexual appetite: if you are a woman you can smell men's underarms, you can also smell a cucumber or mentally imagine yourself

Sexologist Dr. Myriam Balbela talked about friends with benefits, they do not get emotional involved, they realize it's only a physical attraction and just want to have sex and some people have a career as a priority and not a relationship. Also talked about being a virgin on your honeymoon, the groom has to be gentle and first focus on other parts of the body, the bride has to be in good shape and be lubricated. Dr. Balbela also took a caller who forgave her unfaithful wife and asked advice on how to overcome it.

Dr. Edgar Chavez talked about preventions you should take to avoid having accidents during intimacy. Getting too excited can cause a heart attack if you have heart problems. Don't do acrobatic moves that may result in broken bones. If you're not accustomed to exercising you might pull a muscle.

Sexologist Dr. Myriam Balbela talks about how women are shy when it comes to telling a man what she likes in bed and how women must first know what they want.

Immigration Attorney Alex Galvez talks about how to obtain legal documents and the importance of applying for legal residency.

Dr. Edgar Chavez talked about the causes of hiccups such as drinking something too cold can cause hiccups, hiccups is not dangerous, no one has ever died of hiccups, to get rid of hiccups breathe inside a paper bag, you can also drink ice water very slowly...also getting scared can eliminate the

hiccups..just make sure you don't scare an elderly person or someone with a heart

Sexologist Dr. Myriam Balbela talks about how a relationship  
last...laugh together, dance together, talk about each other's accomplishments,  
respect each other and manage your money wisely.

Immigration Attorney Alex Galvez talks about the famous 10 year law..You can also  
apply for legal documents if you have lived in U.S. for 5 continuous years, from January

Sexologist Dr. Myriam Balbela talks about the reasons why  
marriages don't last...understand that in every argument the

Sexologist Dr. Myriam Balbela talks about how to overcome infidelity.  
first, you need to know it is not your fault, second if you care for your spouse  
you need to establish great communication.

Dr. Edgar Chavez talked about the dangers of giving  
your kids beer to drink...a teaspoon of beer can be  
lethal to a kid because of their weak immune system.

Immigration Attorney Alex Galvez took calls from listeners regarding  
their immigration issues and how to obtain legal documents.

Immigration Attorney Alex Galvez talk about yesterday's court of appeals  
vote to deny President Barack Obama's executive actions on immigration, but tells

people not to worry that the executive action is not dead yet.

Dr. Egar Chavez talked about the reasons why we get hungry.

If you don't drink enough water your mind will think your body needs food.

If you drink alcohol before eating you will tend to eat more resulting in too many calories this will make you gain weight.

Pioli's show M-Friday 6am – 10am PST

Sexologist Dr. Myriam Balbela talks about what qualities to look for in a man or in a woman that makes a good partner...look for honesty, and trust..look for how he or she behaves around people and family members. She also talks about diabetes, diabetes makes you impotent so try to eat better so you regain your erection.

Immigration Attorney Alex Galvez talks about how it is not true that if you have been here for 10 years you automatically qualify for legal papers.

Dr. Egar Chavez talked about the 4 bad habits people

1. don't bite your fingernails, there's too much bacteria in fingernails.
2. don't crack your bones, it's ok to stretch out but not to crack your bones.
3. don't chew gum it creates too much saliva, is bad for digestion, and gets you hungry.
4. don't scratch your face, fingernails have bacteria that can transfer to a pimple.

Sexologist Dr. Myriam Balbela talks about jealousy in a relationship, problems and how to

Immigration Attorney Alex Galvez talks about how to qualify for legal residency.

Filing for bankruptcy does not qualify you, receiving food stamps does not

qualify you, being arrested and not found guilty does not disqualify you. If you get divorce from someone that qualified you for legal residency you can still

Dr. Egar Chavez talked about the bad habits that are ruining your teeth.

1. Drinking fruit juices, they have too much acid wich ruins your tooth enamel...is recommended to drink fruit juices trough a straw
2. Eating dry fruit, it gets stuck between your teeth.
3. Don't brush your teeth immediately after eating or drinking fruit..wait at least 45

Immigration Attorney Alex Galvez talk about how to legally bring a family memeber into the United States...with a turist visa, in most cases, to be aproved, you'll have to provide proof of income from both parties.

Sexologist Dr. Myriam Balbela talks about the questions you should ask your partner before getting marry...ask "Where do you see yourself 5 years from now?" to see if you're included in their future plans.

Immigration Attorney Alex Galvez talk about getting married just to fix papers and not for love...If you get caught getting marry just for interest you can get in trouble and the penalty is for life...If they find you suspicious, the immigration department can investigate you by going to your house and asking questions.

Sexologist Dr. Myriam Balbela talks about symthons husbands have when wife is pregnant...husbands said they get more appetite and gain weight when their wife is pregnant. She also talked about a mother

that had her teenage daughter examined by a doctor without her

Immigration Attorney Alex Galvez talk about mistakes people make upon trying to qualify for legal papers...

1. Robbery or buying stolen items,  
or putting store items on your kids stroller and walking out without paying....
2. Domestic Violence, police will arrest someone that once in jail can be deported.
3. Use of Drugs for personal use, there is no forgiveness for drug use.

Dr. Edgar Chavez talked about how to lose weight naturally in case you can't do exercises...use smaller plates, use the stairs instead of the elevator, drink a glass of water before eating, don't go to restaurants the food is high in calories and they tend to use  
Immigration Attorney Alex Galvez is in Las Vegas visiting the community informing people and answering whatever questions they may have regarding

Immigration Attorney Alex Galvez talk about ways to qualify for legal residency; if your child is in the military and if you submit form 245(i) (immigration and naturalization act) you can qualify.

Sexologist Dr. Myriam Balbela talks about what happens when your partner tells you they need time off each other.  
You need to evaluate your situation pros and cons.
